# Sri Madhusudan Sai Institute of Medical Sciences & Research

Private. College in Chikkaballapura

# Sri Madhusudan Sai Institute of Medical Sciences & Research

Guided by the norms of the National Medical Commission (NMC), the apex steering body for medical education in India, the Medical College shall comprise of one academic block and two teaching hospitals, which shall provide quality medical care to All, irrespective of caste, creed, religion, and financial status, all Totally Free of Cost. Currently, one academic block – Sri Sathya Sai Rajeswari Memorial Block, and one teaching hospital – Sri Sathya Sai Sarla Memorial Hospital have begun functioning round the clock as the first phase of the medical education mission of Sadguru Sri Madhusudan Sai. Soon a 400-bedded teaching hospital will be erected within the campus limits.

**Despite having more than 550 medical colleges, there is an urgent need to increase the infrastructure and student intake.** High cost of education and quality of medical training are also significant deterrents to students taking up medical education in the country.

# About Hospital

Laboratories create the perfect milieu to actualize and put into practice one's classroom lessons. Eight modern and fully equipped departmental labs shall support the instruction of clinical disciplines and enhance learning through medical visualization.

## Well equipped laboratories for:

- Anatomy
- Physiology
- Biochemistry
- Pathology
- Pharmacology
- Forensic Medicine
- Community Medicine
- Microbiology
- Dedicated setup for audio-visual equipment with internet connection
- Digitally integrated with all teaching areas and museums of the Academic Block
- Well structured spaces for departmental faculty members, offices, and libraries
