

Bangladesh Medical College

Private College in Dhaka, Bangladesh

Bangladesh Medical College

The College is recognized by the Bangladesh Medical and Dental Council since 1986. BMC has been enlisted in the World Directory of Medical Schools with effective in 1995 published by World Health Organization which entitles the graduates of BMC recognition all over the world. Graduates of BMC are eligible for limited registration with the General Medical Council of United Kingdom. They are also eligible to take the US Medical License Examinations.

The College and the attached Hospital in Dhanmondi are accommodated in three 6 storied buildings with arrangements for 600 inpatients. The Bangladesh Medical College & Hospital is a tertiary care referral medical facility and provides excellent training to students and junior doctors. The Hospital is well equipped and provides quality health care to the peoples home and abroad at reasonable cost. The entire hospital staff is dedicated to excellence and service. The new building of the Hospital, called the Community Welfare and Health Care Centre (CWHCC), was built to international standards. It has an excellent Outpatient Department in addition to Inpatient facilities. The College also has a Modern Accident and Emergency Department.

Bangladesh Medical College (BMC) is one of the three units, others being Uttara Adhunik Medical College (UAMC) and Bangladesh Dental College (BDC) under the Bangladesh Medical Studies and Research Institute (BMSRI), the apex body. Over the period of service since inception, BMC has produced over 3000 doctors, including some from foreign countries.
