

Central Medical College Hospital

Central Medical College

Private College of Bangladesh

Central Medical College

Central Medical College, Cumilla was established on January 2005 by the approval of Ministry of health and family welfare. The college is situated in a wide open and beautiful campus almost in the middle of the country by the side of Dhaka-Chittagong high way. The campus is near to capital city Dhaka. This is also near to Indian city Agortola about 4 km distance from shreemontopur boarder. From very beginning we strictly follow the BM&DC curriculum & guide line given by the ministry of health & family welfare, DG health & concerned university. The medical college has been running with sufficient no of qualified and devoted teachers.

Central medical college hospital has been running with skill and experienced doctors. Sufficient facilities are ensured for clinical students & internee doctors. The result of professional examination in last 15 years are excellent. Most of the doctors passing from this medical college now working in different govt. & non govt. institution of the country both home & abroad with good reputation. Some young doctors after completion of the post graduation are working as teacher in different medical colleges of Bangladesh. Many foreign students are studying here. The authority of this medical college are committed to provide quality doctors for the nation and to ensure low cost quality medical service for the people.
