

Enam Medical College

Private College in Dhaka, Bangladesh

Enam Medical College

Enam Medical College Hospital was established in 2003. The Government was pleased to give permission for admission of 50 students in the first year MBBS course from the session 2003-2004. Now the admission capacity is 155 from 2023-24 session. The College has also been affiliated with University of Dhaka and also recognized by Bangladesh Medical and Dental Council (BMDC). The training in Enam Medical College Hospital is also recognized by Bangladesh College of Physicians and surgeons (BCPS) in due esteem. Enam Medical College is also recognized by International Medical Schools through FAIMER, AVISINA and IMED.

Enam Medical College Hospital is now 1000-Bed all encompassing, multi-disciplinary, tertiary care and referral hospital of national proportion. Behind the success of such vertical and horizontal expansion, this care-giving medical embodiment excels in its quality of international standard, with a cost much less than even of the remotest peers. This is the uniqueness of Enam Medical system – Best in treatment, Least in billing, so that the disadvantaged people, especially those in extreme poverty, can get the benefit of latest medical sciences at an affordable cost.
