# Holy Family Red Crescent Medical College

Holy Family Red Crescent Medical College is a project of Bangladesh Red Crescent Society (BDRCS) and is run by a Governing Body duly formed by the representatives of sponsor organization Bangladesh Red Crescent Society (BDRCS), representatives from the University of Dhaka and Government of Bangladesh. The College follows the MBBS course curriculum as laid down by Dhaka University and Bangladesh Medical and Dental Council. Government of Bangladesh regulates the criteria of qualification of students and the University of Dhaka conducts the professional examinations and certificates of MBBS degree are awarded by them. It started its journey with 50 students in the academic year 2000. Presently we have about more than 1000 students and 145 students are admitted during every academic session including up to a maximum of 50% foreign students. Nineteen batches of students have already qualified as doctors and eighteen batches have completed their internship training and the Nineteenth batches are undergoing internship training in Holy Family Red Crescent Medical College Hospital (HFRCMCH) which is a tertiary care Hospital established in the year 1953 with 720 beds and delivering clinical services in all specialties of medical science.

The Holy Family Red Crescent Medical College and Hospital is located in a quiet and serene environment at the heart of Dhaka city at 1, Eskaton Garden Road, Dhaka-1000 on 8.10 acres of land. The construction of the new modern six storied academic building covering an enormous area of one lac twenty three thousand square feet with all modern amenities is already completed and academic activities have started in the mean time at all the levels.

Since its establishment in the year 2000, Holy Family Red Crescent Medical College has come a long way during the last 23 years and achieved a great reputation amongst the non-government medical colleges in the country. We admit students with high merit and aptitude. We have adequate qualified teaching staff and modern teaching aids like computers, multimedia projector and digital sound system for effective delivery of lectures. This medical college has a full fledged library with sufficient text, reference books and journals. The library has high speed internet facilities with HINARI access. Holy Family Red Crescent Medical College is enlisted in the AVICENNA Directory (former WHO medical directory). This college is also enlisted with FAIMER International Medical Education Directory-IMED. American Medical Council recently recognized MBBS Course completed from our Medical College. MRCP Part-I Orientation Course has been started in our Medical College in the mean time.

The medical services include the department of Emergency having 24 hours service with observation facilities, Medicine, Surgery, Gynaecology & Obstetrics, Cardiology, Pediatric Surgery, Nephrology with modern dialysis facility, Neuromedicine, Endocrinology with outdoor diabetic centre, Gastroenterology with Endoscopy, Psychiatry, Paediatrics & Neonatology, Eye, E.N.T, Neurosurgery, Urology, Orthopaedic, Physiotherapy, Dentistry, Radiology & imaging including CT scan & MRI, Ultrasonography and Pathology etc. Holy Family Red Crescent Medical College Hospital has a well equipped Intensive Care Unit (ICU) with latest equipments, skilled and well-trained staff. On the 2nd floor 5 new Operation Theaters (OT) are now in running condition in addition to 2 OTs in the ground floor. The new OTs are equipped with latest equipments including a modern image intensifier with C Arm and an advanced operating microscope. The outdoor is equipped with central AC for the comfort of the patients. The Outpatient Department having facilities with consultancy service remains open in both morning and evening shifts. The charges are very competitive for the affluent people while the every poor have access to treatment free or at minimum cost. The hospital has several contractual agreements with different agencies, organizations for treatment of their employees.
