

Kathmandu University School of Medical Science

Private College in Kathmandu

Kathmandu School of Medical Science

Kathmandu University School of Medical Sciences (KUSMS) is an institution established in collaboration between Kathmandu University and Dhulikhel Hospital. KUSMS launched its own constituent MBBS program in August 2001. The School has infrastructure and physical facilities at two locations: basic science building with all the required facilities is situated at a hilltop at Chaukot in the Panauti area and the university hospital is situated at Dhulikhel, within a distance of 3 km. Basic science department has various departments with the required number of laboratories, lecture halls including PBL classrooms, audio visual facilities (media tech.) and library.

Reason to Choose MBBS in Nepal

- Degree is Recognized by Medical Council of India (MCI), Sri Lanka Medical Council (SMC)
- Curriculum of global standard
- WHO enlisted institutions.
- Affordable cost and fee can be paid in installments
- Qualified and experienced teaching faculties.
- Friendly environment with food & culture similar to India & Srilanka.
- Colleges have own hospitals with good patient flow.
- The Internship is valid in India, Sri Lanka & Maldives.
- Means of transportation is easy.
- Many Indian / Sri Lanka. students have already passed from Nepal and working successfully as renowned doctors in their country.
- The MBBS degree awarded by TU/KU is formally recognized by all SAARC, Common Wealth & ASIAN countries and is reciprocally by Europe Asia Middle East, America, Australia and African continents.
- Hindi is well understood & spoken by almost all the Nepalese so it is easier to communicate during Internship.
- Education Standard very high when compared to many Private Universities in India.

Kathmandu University

Kathmandu University (KU) is an autonomous, not for profit, self-funding public institution established by an Act of Parliament in December 1991. It is an institution of higher learning dedicated to maintaining the standard of academic excellence in various classical and professional disciplines.

The mission statement of the University is "to provide quality education for leadership". The vision is "to become a world-class university devoted to bringing knowledge and technology to the service of mankind".
