

SAMARA STATE MEDICAL UNIVERSITY

GOVT COLLEGE IN RUSSIA

SAMARA STATE MEDICAL UNIVERSITY

Samara State Medical University is one of the best medical universities in the Russian Federation founded in 1919. If we look behind its history we will find so many interesting facts about how this big and most reputed medical university of Russia has been established.

Samara state medical university, future specialists receive high-quality education - six educational programs of the Samara State Medical University are recognized as the 'Best Educational Programs of Innovative Russia', and this status is confirmed annually. The programs 'General Medicine' and 'Paediatrics' are included in the European register of accredited higher education programs DEQAR. The course duration of General Physician is 6 years with complete 6-year English medium teaching. University consists of 18 Hospitals and 7 Polyclinics across the Samara city and because of 3 million population we are treating a good number of patients everyday and through this our students can learn medicine and have good clinical practice. Admission is open for students who want to learn medicine in the English Language. We are the only university in the Russian Federation who are teaching students for the Plab, USMLE, NEXT license exam from First year without any charges. Because we believe in Making students' futures great.

Samara State University with a medicine department was founded on January 1st, 1919. In 1930 Samara Medical Institute was opened as Kuibyshev Medical Institute
