

Shaheed Monsur Ali Medical College

Private College of Bangladesh

Shaheed Monsur Ali Medical College

Shaheed Monsur Ali Medical College, Hospital and the Nursing Institute are the noble ventures of Shaheed Monsur Ali Trust. This conglomerate is offering medical education and research, health care services and nursing education which contribute enormously to the health sector of the country. The Academic building of the college is built on its own land having spacious classrooms, lecture galleries, practical classrooms, departmental museums, library, reading rooms etc. It also accommodates a cafeteria and separate common rooms for male and female students having facilities for indoor games. There are separate hostels for boys & girls. Students have facilities for outdoor games as well. The college is approved by the government of Bangladesh. It is affiliated with Dhaka University.

It enjoys the recognition of Bangladesh Medical and Dental Council (BMDC). The college has already attained adorable standard to clinch the recognition of the Bangladesh College of Physicians and Surgeons (BCPS) in regard to post graduate training in various subjects in the college. The College has admitted 26 batches of students since its inception of which 22 batches of students have already completed their MBBS course and serving the nation as efficient doctor. The hospital is situated just beside the College building. It is a 740 bedded hospital with all modern amenities offering emergency, outdoor and indoor services round the clock.
