

Universal Medical College

Private College in Dhaka, Bangladesh

Universal Medical College

Universal Medical College has been established in 2013 with an intention to produce medical graduates, capable to provide quality health care service to the people of Bangladesh. It is a non-profitable organization.

A beautifully arranged campus with well equipped Hospital & Laboratories and fully air conditioned class rooms, modern teaching facilities and adequate treatment facilities for indoor and outdoor patients. The College building is accommodated in 8 storied building and the attached Hospital is accommodated in 6 storied building with arrangements for 350 in patients. Universal Medical College Hospital (former Ayesha Memorial Hospital) is a general & referral hospital dedicated to provide multidisciplinary medical care & backed by state-of-the-art facilities.

Universal Medical College & Hospital Ltd. Former Aysha Memorial Hospital is one of the leading hospitals inside the country, Bangladesh. The hi-tech health care facilities are part of the institution's main objective, that of providing patients with the highest level of service and personalized care at an affordable cost. Our future plan of expansion is to incorporate all super specialty disciplines under one roof and our commitment is to deliver total care to the humanity as a whole.
