Section-I BANARAS HINDU UNIVERSITY AT A GLANCE

The Banaras Hindu University (BHU), founded by Mahamana Pandit Madan Mohan Malaviya ji in 1916, is one of the most prestigious Central Universities in the country. An autonomous institution of distinction and having the Hon'ble President of India as its Visitor, BHU is the largest residential University in Asia. Being a living embodiment of such visionaries as Mahamana Malaviya ji, Dr. Annie Besant and Dr. S. Radhakrishnan, this seat of learning epitomizes a synthesis of ancient wisdom and modern scientific temper. Its holistic model of education, conceived and enriched by its illustrious founder, offers refreshingly new perspectives to young minds and nurtures and facilitates their creative talents.

The Founder's Vision

- "It is my earnest hope and prayer that this centre of life and light, which is coming into existence, will produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal to the Supreme Ruler."
- "A teaching university would but half perform its function, if it does not seek to develop the heart power of its scholars with the same solicitude with which it develops their brain power. Hence, this university has placed formation of character in youth as one of its principal objects. It will seek not merely to turn out men as Engineers, Scientists, Doctors, Theologists, Merchants, but also as men of high character, probity and honour, whose conduct through life would show that they bear the hallmark of a great university."

The University

This University was conceived as a residential university, keeping in view its objective of complete character development and thorough mentoring of students. Perhaps this is the only university in the world where courses ranging from nursery and primary school up to Doctoral/ Post-doctoral degrees are taught and pursued within a walled campus spread over 550 Hectares (1360 acres) and having majestic buildings of great architectural delight. It enshrines within its precincts, a phenomenal range of teaching disciplines incorporating almost all conceivable subjects of Science, Engineering & Technology, Medical Sciences, Humanities, Social Sciences, Commerce, Law, Education, Visual Arts, Performing Arts, Sanskrit Vidya Dharm Vigyan, Agriculture, Veterinary Sciences, Library Science, Journalism and a large number of Indian and Foreign Languages.

There are at present 5 departments receiving support under Special Assistance Programme, 7-UGC-Innovative / TRIEA / Other Programme and 3-DST-FIST (Fund for Improvement of Science & Technology) 4 departments/schools are supported under FIST programme of DST. It also has four colleges admitted to the privileges of the university which are located in the city. The university also has three schools apart from having a Kendriya Vidyalaya housed in the Campus. In addition, the Rajiv Gandhi South Campus has been established in the year 2006 in a sprawling campus of 1092.6 Hectares (2700 acres) located about 75 kms away from the main campus, at Barkachha in Mirzapur district, Uttar Pradesh.

Hallmark of Excellence

In NIRF, Banaras Hindu University has been consistently ranked among the top universities of India and it has also been recognised as an Institution of Eminence in the country by the Ministry of Education, a recognition given only to five Public Sector Universities of the nation

Institute of Agricultural Sciences

Committed to the objectives of holistic, sustainable and equitable development of agriculture and allied sciences, aimed at liberty, security and prosperity through competent human resource development by virtue of integrated approach of teaching, research and extension, determined for creation of knowledge base for the benefit of the farming community, improvement of crops/ vegetables/ fruits/ livestock/ poultry/ fish for enhanced input use efficiency & production, and committed for quality seed production and dissemination of proven technologies towards improving livelihood security and realizing the dream of Hunger Free Society, our achievements in Education (including Sports and Cultural activities) and Research (including Extension activities) justify the funds sanctioned, created and generated from time to time.

Institute of Medical Sciences

The Institute of Medical Sciences comprises three faculties, namely, Faculty of Modern Medicine, Faculty of Ayurveda, and Faculty of Dental Sciences. It offers medical and paramedical courses at undergraduate and postgraduate levels. Through its hospitals, it caters to the clinical needs of more than 20 crores population hailing from 7 states (UP, Bihar, West Bengal, Jharkhand, Odisha, Chhattisgarh and Madhya Pradesh) and neighbouring countries like Nepal and Bhutan. More than 40% of the patients visiting the hospital are from low economic strata. At present, the hospitals have 2614 beds which includes 1385-Bed Sir Sunderlal Hospital; 180-Bed Ayurveda Wing; 334-Bed Trauma Centre; 13-Bed Dental Science; 430-Bed Centenary Super Specialty Block; 100-Bed Mother & Child Health Wing; 60-Bed Centre of Excellence for Mental Health; 12-Bed Bone Marrow Transplant & Stem Cell Research Centre and 100 Bed Regional Institute of Ophthalmology.

Institute of Environmental and Sustainable Development

A national-level Institute of Environment & Sustainable Development was established in the year 2010. Recruitment of faculty was done in the year 2011. Using education as a tool to achieve sustainability, the institute aims to cover education for sustainable development. Mission of the Institute is to carry out teaching, research and extension relevant to India's sustainable development leading to the future that ends poverty and delivers and sustains efficient and equitable management of the country's natural resources.

Institute of Management Studies

The University started Post Graduate and doctoral program in Management in the year 1968 as a Department in the Faculty of Commerce. Envisaging the increasing need for imparting quality management education and research, the University transformed the Department of Management Studies to an independent Faculty of Management Studies in the year 1984. Dedicated efforts were made to run innovative and need based programs for the corporate world under the dynamic leadership of professors of national and international repute. The Faculty has been upgraded to Institute of Management Studies in December 2015.

Institute of Science

Established in 1916, the Faculty of Science which later on upgraded to Institute of Science as a constituent institute of the University, offers under graduate and post graduate courses besides offering Ph.D. program and several diploma and certificate courses. The Institute comprises of 13 departments, 6 Centres and 2 Interdisciplinary Schools. Equipped with advanced and sophisticated laboratories and research facilities the institute is marching ahead towards excellence in teaching, learning and research in almost all domains of basic and applied sciences.

Largest Residential Campus in Asia

Over 35,000 students from all over India and abroad are enrolled in various faculties of the university. The university has more than 72 hostels, having nearly 11000 inmates, with all modern amenities including internet for the students. It also has a specially designed International Student hostel to accommodate large number of foreign students who study here. It also has 1590 staff quarters and 7 guest houses on the campus.

Library

BHU has a Central Library system having more than 15 lacs volumes apart from subscription to more than 15000 online journals, 50000 e-books, databases and a huge collection of digitalized rare manuscripts. It functions in conjunction with a chain of Departmental, Faculty and Institute libraries. In addition, BHU has a fully air-conditioned Cyber Library with a seating capacity of over 200. Newly created air-conditioned Periodical Hall provides 60 cabins for the use of faculty members and research scholars.

ICT Infrastructure

The University has WiFi enabled campus. All the academic and administrative offices are WiFi connected. In addition, the University has 100 kilometres long fibre optic backbone of campus wide LAN, connecting all academic and administrative buildings as well as hostels with a well-equipped Computer Centre, providing high end computing and training facilities. The university has been provided three 1 Gbps nodes of National Knowledge Network (NKN) under NME-ICT. Besides these, more than 100 smart classrooms have been augmented for smoothening the online teaching and learning especially during the COVID times. The university has switched over to computer based entrance test and implemented ERP for executing all administrative and financial work, thereby moving towards paperless office.

The Temple

The Banaras Hindu University has a temple of Lord Shiva called Shri Vishwanath Temple. It is situated at the centre of the campus. The temple is built with white marble. Its detailed planning was done by Malaviyaji himself. The lush campus of Shri Vishwanath Temple and the beautiful gardens surrounding it are a delight to the eyes of the visitors. The interior of the temple has a Shiva Lingam, and verses from Hindu scriptures are inscribed on the walls of the temple with pictorial depiction.

Bharat Kala Bhavan

BHU has a museum of international importance - Bharat Kala Bhavan, which is a treasure trove of rare art and artefacts. The Bharat Kala Bhavan has 13 galleries having a collection of more than 1 lakh antique and rare sculptures, miniature paintings, Rajasthani, Mughal and Pahari paintings, coins, jewellery, precious stones, etc. of immense historic value and a very special literary gallery containing manuscripts of famous authors. It also has a rich library containing rare books.

Rajiv Gandhi South Campus

The Banaras Hindu University has extended its outreach by establishing its South Campus at Barkachha in Mirzapur district. The RGSC is being developed as a potential hub of education, training and entrepreneurship for youth and women, especially those belonging to tribes and weaker sections of the society. The campus is being developed by the University with a mission to enrich the lives of the population of the region by extending to them opportunities to engage in life-long learning and to benefit from the result of research.

NOTE:

- a). Exercise of the choice of the group according to his/her eligibility qualifications is the responsibility of the candidate. The candidate appearing for the B.Ed.-Special Education entrance test will have to **choose only one group** and will have no option to change his/her subject group if once allotted. Choosing subject group not commensurate with eligibility and/or appearing in the test in subject group not opted for, will disqualify the candidature at any stage. Choice once exercised in the application form is final.
- b). B. Ed.-Special Education is a Teacher Education Programme for preparing teachers for teaching special needs children, such as, Children with Visual Impairment and Hearing Impairment. However, the Faculty will run two specialties, viz., Visual Impairment (V.I.) and Hearing Impairment (H.I.). A stipend of Rs.300/-p.m. is given to fifteen B.Ed.-Special Education (V.I.) and (H.I.) students according to merit in PET.

IMPORTANT NOTE for B. Ed./B. Ed. -Special Education:

- 1) If a candidate applies for B.Ed. course only, he/she would not be considered for B.Ed- Special programme. Similarly, a candidate applying for B.Ed.-Special Education course only would not be considered for admission to B.Ed. course. Therefore, a candidate desirous to be considered for admission in either of the two courses, that is B.Ed. and B.Ed.- Special Education, he/she will be required to make separate application for both the courses.
- 2) Though there will be a Common Entrance Test for B.Ed. and B.Ed.- Special Education for each of the four groups (Languages, Science, Mathematics and Social Sciences/ Humanities), separate merit list for B.Ed. and B.Ed-Special Course would be prepared (containing the candidates who have applied for the two courses separately) and counselling for admission to the aforesaid courses would be conducted independently.
- 3) As B.Ed. programme runs at three locations (Faculty of Education, Kamachha, Vasanta College for Women, Rajghat and Arya Mahila PG College, Chetganj), candidates can exercise their choice of location at the time of counselling. Admission shall be made on the basis of merit of the candidate (in the entrance test) and choice/ preference for location given by him/her at the time of Counselling and his/ her eligibility for the course.
- 4) Reservation of seats and other facilities will be as per University rules. In case of smaller number of seats, the Admission Committee of the Faculty will have the right to allot seats for reserved categories so that as far as practicable all the reserved categories get their reservations out of the total seats
