I Introduction

Welcome to Chettinad Hospital and Research Institute (CHRI), a constituent college of Chettinad Academy of Research and Education, recognized as Deemed to be University under section 3 of the UGC Act, 1956 – An Exceptional Destination for Medical Education.

This information bulletin is your comprehensive guide to the admission / counseling process for the M.D. / M.S. Degree Courses at CHRI for the academic year 2024-25. We invite ambitious students aspiring to embark on a rewarding journey in the medical field to explore the exceptional opportunities offered at our esteemed institution.

The Medical Counseling Committee (MCC) of the Directorate General of Health Services (DGHS) will orchestrate an online counseling process for the allotment of 100% of seats with an All-India character in participating Deemed Universities across the nation. This inclusive process encompasses admissions to MBBS degree course offered by this esteemed institute.

By participating in the counseling process of MCC of DGHS, candidates acknowledge their comprehensive understanding and consent to all stipulations, clauses, and norms mandated by the National Medical Commission (NMC), as well as the contents outlined in the Information Bulletin/Prospectus. This acknowledgment signifies their commitment to adhering to the established guidelines and regulations governing the admission process.

II About Chettinad

The Chettinad Group, with its rich legacy spanning several decades in the field of education, has established itself as a pioneer in providing progressive learning environments across Tamil Nadu. The Group's educational initiatives encompass a wide spectrum of institutions, including private and government-aided schools, as well as colleges offering diverse professional programs.

The Chettinad Group's educational portfolio extends to various disciplines, including Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences, Pharmaceutical Sciences, Occupational Therapy, Arts & Sciences. This comprehensive range of offerings reflects the Group's commitment to nurturing talent across multiple fields and contributing to the development of a skilled workforce.

Through its network of educational institutions, the Chettinad Group continues to shape the academic landscape of Tamil Nadu, fostering an environment of excellence and innovation in learning. The Group's dedication to quality education has positioned it as a trusted name in the region, attracting students seeking holistic and forward-thinking educational experiences.

II About Chettinad Academy of Research and Education (CARE)

Chettinad Academy of Research and Education (CARE) conferred the status of Deemed to be University under section 3 of the UGC Act, 1956, notified as "Category I" Institution by UGC and accredited with 'A++' grade by NAAC.

Vision

To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future.

Mission

- Create a nurturing and supportive environment to ensure students a fulfilling, demanding and intellectually stimulating experience.
- Enable students to imbibe values, cultivate a desire for lifelong learning and maximize their potential.
- Prepare students for employment in the global arena.
- To establish a team of well-qualified faculty that will enable the institution to grow holistically.
- Provide the best state of the art infrastructure. Offer quality health services to all strata of society.
- To facilitate independent innovative research and share knowledge and understanding with the society.
- To contribute to the social, economical and national development.

Constituent Colleges and Schools of CARE:

- Chettinad Hospital and Research Institute (Medicine and Allied Health Sciences)
- Chettinad College of Nursing
- Chettinad School of Pharmaceutical Sciences
- Chettinad School of Physiotherapy
- Chettinad School of Occupational Therapy
- Chettinad School of Law
- Chettinad School of Architecture

III About Chettinad Hospital and Research Institute (CHRI)

Chettinad Hospital and Research Institute is a constituent college of Chettinad Academy of Research and Education and caters to the health needs of the surrounding villages both in diagnostics, preventive and curative services. CHRI is situated in a sprawling campus away from the hustle and bustle of the city in sylvan surroundings. CHRI offers a conducive environment for learning. Student centered state-of-the-art facilities, sophisticated infrastructure, libraries with the latest medical journals, and futuristic learning methodology systems benefit the learning process of the students.

1. Teaching programmes offered by Chettinad Hospital and Research Institute are guided by the respective statutory councils. The methodology of teaching is reviewed periodically by the Board of Studies / Academic Council of the University and are updated to keep abreast with the latest advancements.

2. State-of-the-art equipments and cutting edge technology are being provided for the treatment of patients visiting the teaching hospital. An eco-friendly campus along with optimal use of information technology is ideally suited for academic pursuits and greatly augments teaching learning activities.

Regular continuing education programmes and faculty development programs contribute immensely to update the knowledge and improve the teaching skills.

About Hospital:

Established in 2006, Chettinad Hospital and Research Institute (CHRI) has distinguished itself as a premier institution for medical education in India. Our commitment to excellence has made CHRI a sought-after destination for aspiring medical professionals nationwide.

Academic Excellence:

Highly qualified and experienced faculty, Comprehensive library resources
State-of-the-art museums and laboratories Innovative skill and virtual learning facilities
Our graduates consistently excel in their medical careers, making significant contributions both domestically and internationally. CHRI is dedicated to empowering students with the knowledge, skills, and confidence necessary to meet the evolving challenges of the medical field.

Clinical Facilities:

- Advanced patient care facilities for hands-on clinical experience
- Focus on developing both technical skills and compassionate patient care
- Rural and urban health centers providing diverse healthcare exposure

Interdisciplinary Environment:

CHRI offers a unique, multicultural setting that encourages collaboration among students from various professional disciplines, fostering innovation and cultural competence.

Campus and Amenities:

Eco-friendly, expansive campus Modern residential facilities Comprehensive sports and recreational amenities.

Skill Lab:

Our Clinical Skills and Simulation Center (CSSC) offers a safe and protected environment that bridges the gap between classroom learning and real-world clinical settings. It houses state-of-the-art equipment, anatomical models, and electronic simulators, providing hands-on learning experiences for medical, dental, and nursing students, as well as professionals. The CSSC enables participants to develop essential clinical skills, communication abilities, and practical knowledge through realistic simulations and computer-generated scenarios, mimicking acute medical conditions. High-fidelity adult, pediatric, and neonatal mannequins allow for practicing in a controlled environment, reducing anxiety and ensuring proficiency before interacting with actual patients, ultimately enhancing patient safety and effective management.

Self-contained campus

- Serene Eco Friendly campus
- Wi-Fi enabled campus for better connectivity
- Safe and Secure campus with more than 600 CCTV
- Round the clock Security personnel
- Turnstile and Access Control for better surveillance
- Well-connected Transport facility
- Multi-cuisine Food Court
- Full-fledged Bank & ATMs operational in campus
- Pollution free battery driven cars and bicycles with park & ride facility for in-campus transportation
- Acoustic Modelled Auditorium
- Well-stocked Utility Center
- Excellent Indoor and Outdoor Sports facility

Salient Features of our Post Graduate Courses

Looking to pursue a postgraduate course in medicine?

For those aspiring to excel in the medical field, CHRI offers a diverse range of postgraduate programs accredited by the Ministry of Health & Family Welfare and the National Medical Commission, New Delhi. Our infrastructure boasts a 1770-bed hospital, 16 state-of-the-art operating theaters, and 7 intensive care units, all adhering to the highest standards.

Our departmental library is replete with the latest medical texts and journals, supplemented by a vast array of digital resources and inter-library loan services. Our esteemed faculty, renowned for their expertise and experience, deliver bedside clinical teaching, ensuring an immersive learning experience.

CHRI has a commendable track record in managing complex surgical interventions, providing students exposure to avant-garde technologies, including robotics. We offer abundant opportunities for students to engage in and organize academic events at state, national, and international levels, alongside research methodology workshops and collaborative research initiatives.

Students gain practical experience through community outreach programs and partnerships with corporate hospitals, facilitated by academic MoUs. Our residential and recreational amenities are of the highest caliber, and our graduates find immediate placement in prestigious institutions and multispecialty hospitals worldwide.

We also provide fellowship programs across various clinical specialties and opportunities for involvement in outsourced expert consultation services. In essence, our postgraduate courses are designed to deliver a holistic educational journey, setting the stage for our students to become leaders in the medical profession.

12	Dermatology	Madras Medical College - Institute of Venereology	Peripheral Training

IV Admission Procedure

Eligibility for admission to M.D. / M.S. degree courses:

Candidates aspiring to join our postgraduate programs must have successfully cleared the National Eligibility-cum-Entrance Test (NEET PG-2024) conducted by the National Board of Examinations in Medical Sciences, New Delhi, on 11.08.2024, with results declared on 23.08.2024. Eligibility is contingent upon meeting the minimum percentile requirements as established by the National Medical Commission, New Delhi

Cut-off Percentile NEET PG 2024 as per NBEMS

General / EWS (50 th Percentile)	OBC / SC / ST (40 th Percentile)	General – PWD (45 th Percentile)
--	--	--

Additionally, candidates must have completed a one-year MBBS internship by 15.08.2024. Indian citizens with foreign medical qualifications must have passed NEET-PG 2024 and the Foreign Medical Graduate Examination (Screening Test) and be registered with the NMC or a State Medical Council. NEET-PG is mandatory even for foreign nationals seeking admission in medical courses in India.

Counseling Process:

In accordance with the PG Medical Education Regulations 2023, under clause 4.3 of common counselling, a centralized counseling process will be conducted for all PG courses based on the NEET-PG merit list by the Medical Counseling Committee (MCC) of the Directorate General of Health Services, New Delhi. All rounds of counseling for all seats will be held online.

Prospective students should register online at the MCC's official website (www.mcc.nic.in) and stay updated with the counseling schedule and related information. Upon receiving an online allotment order, candidates must report to the Chettinad Academy of Research and Education's University office to complete the application and reporting formalities, including payment of tuition and other fees for the academic year 2024-25, by the specified dates.

Failure to comply with these requirements will result in forfeiture of the admission offer. Candidates must also present all original certificates at the time of admission and are advised to retain sufficient photocopies for their records.

Reporting Details:

Venue	Administrative Block, Chettinad Academy of Research and Education Chettinad Health City Campus, Rajiv Gandhi Salai, Kelambakkam-603 103, Chengalpattu Dist., Tamil Nadu
Reporting Time	8.30 am to 3.30 pm (all working days)

V Details of PG seats and payment of fees for the year 2024-25

No migration to other medical course during the course of study is permissible.

VIII General Information:

Admissions to Chettinad Hospital and Research Institute are subject to meeting all eligibility criteria set forth by the University and statutory bodies such as the National Medical Commission/Medical Council of India. Any submission of false information or forged documents will result in immediate cancellation of admission, which is irrevocable.

Eligibility and Admission Process:

- Appearance in NEET-NEET-PG 2024 does not confer any automatic rights to secure a Post graduate MD/MS/Post Graduate Diploma seat.
- Selection is based on meeting eligibility criteria, medical fitness, and other conditions as prescribed by the MCC of DGHS, National Medical Commission, and the University.
- Candidates with provisional allotment obtained from MCC of DGHS must submit all required original documents and pay tuition fees promptly to avoid delays in the admission process.

- Candidates should ensure that their MBBS degree is recognized as per provisions of the NMC Act, 2019 and the Post Graduate Medical Education Regulations, 2023. If it is found at any time that MBBS degree is not recognized, the candidature / result of the candidate shall be cancelled/ deemed to be cancelled.

Reporting and Documentation:

- Candidates must report in person at the specified date and time with all original certificates/documents.
- Failure to report or pay fees will result in the inability to proceed on the day of admission.
- Candidates who have deposited their original documents elsewhere must retrieve them; provisional certificates are not accepted.

University Regulations:

- Admitted students are subject to the University's rules regarding syllabus, examinations, fees, discipline, and fee refund policies.
- The University reserves the right to amend regulations in accordance with statutory council guidelines.
- Tuition and other fees for subsequent academic years must be paid by the due date, or enrollment may be terminated.

Attendance and Leave Policy:

- Students are advised against taking extended leaves during the course of study and should aim to complete their courses within three years.
- Leave due to illness or maternity will extend the study period by the same number of days for which maternity/paternal leave and total excess casual leave taken have been availed in 3 years.
- Re-admission after a study break requires a condonation order from the University and payment of prescribed fees.

Training Requirements:

- Students must serve as full-time residents and attend at least 80% of training to be eligible for examinations.
- Rigorous training and class attendance are essential for acquiring comprehensive medical knowledge.

Postgraduate Academic and Training Requirements:

To qualify for final examinations, postgraduate students must fulfill one of the following:

- Present a poster or deliver a podium presentation at a recognized conference in their specialty.
- Publish or have accepted for publication a research paper as the first author in a specialty journal.

Mandatory Courses:

- Research Methodology: Complete an online course in the first year, with certification required for final exam eligibility.
- Ethics: Complete a course in ethics, including Good Clinical Practices and Good Laboratory Practices, in the first year, with certification necessary for exam participation.
- Cardiac Life Support Skills: Complete Basic and Advanced Cardiac Life Support courses in the first year, with certification mandatory for exam eligibility.

These requirements are applicable to all postgraduate students and are integral to the eligibility criteria for final examinations.

District Residency Programme:

To integrate Postgraduate students into the healthcare services, participation in the District Residency Programme is mandatory for a period of 3 months, providing essential exposure to the District Health System and District Hospitals.

No Migration: No student admitted in PG courses shall be permitted migration to any other Medical institutions as per NMC Norms.

Postgraduate students must retain the date of birth as recorded on their 12th-grade mark sheet Any requests for Date of birth changes will not be entertained by the university

Legal and Disciplinary Matters:

- All disputes related to this Prospectus/ information bulletin will be decided by the Vice Chancellor, whose decision is final.
- Legal jurisdiction for matters arising from this bulletin lies exclusively in Chennai.

Tamil Nadu Medical Council Directives:

- Other state Candidates pursuing postgraduate, should compulsorily register in Tamil Nadu Medical Council "within three months of admission"
- In case of failure to register within the prescribed time (3 Months) Rs.10,000/- would be levied as fine, in addition to the normal registration fees.

Ragging in any form is prohibited in the University Campus:

- The University enforces a zero-tolerance policy towards ragging, which is a criminal offense.
- Strict adherence to UGC and NMC/MCI anti-ragging regulations is mandatory, with penalties for violators.
