Private College in Nepalgunj

Nepalgunj Medical College

Lord Buddha Educational Academy (BE) was established to enhance the country's medical sector by delivering exceptional education. A team of well-known entrepreneurs, medical professionals, educators, and socially recognized individuals came together to fulfill a social responsibility, leading to the establishment of Nepalgunj Medical College.

The MBBS course was introduced at the college in 1997, followed by the Nursing program in 2000, and the Post graduate program in 2007. NGMC is endorsed by the Medical Council of Nepal, India, Sri Lanka, SAARC, and other nations. It adheres to the curriculum set by Kathmandu University.

The college has its own fully equipped teaching hospitals in two main cities of Banke district, with a 830-bed teaching hospital in Kohalpur and a 220-bed hospital in Nepalgunj. NGMC's motto is striving for excellence in Medical Education. The college possesses ample human resources, advanced equipment, and a team of highly qualified professionals in each department. Seminars, conferences, and guest lectures by experts in the medical field enhance the college's appeal. NGMC excels in delivering top-notch medical services, training skilled and accountable medical professionals to benefit the nation.
