

International Medical College

Private College of Bangladesh

International Medical College

International Medical College was established in 2000 with the aim of providing quality medical education that can produce skilled medical professionals. Since the establishment, it has already grown significantly and achieved widespread recognition for its academic excellence and dedicated services. Students from both home and abroad are studying in this college in a very congenial environment. International Medical College is located about 22 km away from the city center of Dhaka, more specifically, on the outskirts of Tongi. It is within 30 minutes of distance from Hazrat Shahjalal International Airport, Dhaka, and the main Railway station and Bus terminals of Dhaka City.

International Medical College Hospital, a concern of International Medicare Limited, is a 650-bed tertiary care hospital. Some Bangladeshi Physicians with impeccable reputation are involved in the medical team. Huge emphasis has been made on quality nursing services, as we have trained over a hundred nurses for over a year. We have nurse educators from Australia, UK, India and the Philippines. Nurses and technicians have already received training from foreign experts. International Medical College Hospital is located at Tongi, Gazipur near the heart of Dhaka, and it aims to serve greater Gazipur and the north portion of the capital city.
