

Popular Medical College

Private College in Dhaka, Bangladesh

Popular Medical College

Established in 2010, Popular Medical College is a reputed private medical academic institution that has been successful in providing an extensive platform to medical aspirants from worldwide. The college is admired and has attained a significant position for its excellent work in preparing medical students for a successful medical journey ahead. Popular Medical College is a top destination to study MBBS in Bangladesh for Indian students for more than a decade for its top-tier medical education, affordable fee structure, and constructive learning environment.

Located in Dhanmondi in the capital city of Dhaka, Popular Medical College has well-established, fully-furnished hostel accommodation with mess facilities for its students situated nearby to the premises of the college. The medical college is affiliated with Dhaka University and offers a 5-year MBBS course along with 1-year of internship. The MBBS degree of the college is recognized by the Bangladesh Medical and Dental Council. The primary focus of the college is not just to impart medical education to students, but also ensure character development and strengthening moral values such as respect, human responsibilities, and appreciation for others. It ensures that every student develops ethical values, self-awareness, and confidence during their MBBS studies in Bangladesh.
